Sir:

The above-identified application was abandoned in view of Applicants' failure to file a proper reply to the Final Office Action mailed *January 15, 2004*. It is noted by the Examiner that a proposed reply (RCE and Request for Interview) was received on *April 15, 2004*, but did not constitute a proper reply, under 37 CFR 1.113(a), to the final rejection. A Petition for Revival of an Application for Patent Abandoned Unintentionally under 37 CFR 1.137(b) and submission of a proper response is required for revival of the above-identified application.

Applicants hereby petition for revival of the above-identified application under 37 CFR 1.137(b) and is attaching form PTO/SB/64. It is stated that failure to file a proper response to the final rejection was inadvertent. Accordingly, Applicants hereby resubmit the RCE with a proper Amendment Submission under Rule 1.114. Also submitted is a copy of Form PTO-2051, as required by the Patent Office Communication mailed July 9, 2004.

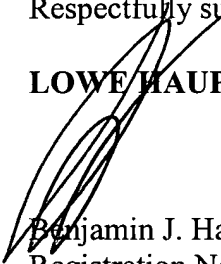

The Petition Fee required by 37 CFR 1.17(m), and the extra claim fee are included in the attached RCE Transmittal and are reflected in the amount listed on the enclosed Credit Card

Payment Form. The RCE Fee was paid on *April 15, 2004*, and no further payment is deemed necessary. However, please charge any shortage in fees due in connection with the filing of this paper to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

In view of the above submissions, *immediate* withdrawal of the holding of abandonment of the instant application, entry of the RCE, and consideration of the Rule 114 Submission are believed appropriate and therefore courteously solicited.

Respectfully submitted,
